Criminal No. TDC-19-0379

GOVERNMENT'S MOTION TO SEAL

The United States of America, by its attorneys, Jonathan F. Lenzner, Acting United States Attorney for the District of Maryland, and Timothy F. Hagan, Jr., Assistant United States Attorney for said District, hereby moves this Court to seal the Proposed Sealed Document filed by the Government in this case. In support of this Motion, the Government states as follows:

The Proposed Sealed Document contains information regarding the Defendant, his background, conduct, medical information, and/or his character which is highly personal and confidential, as well as regarding the victim's background, conduct, and/or character.

No reasonable alternatives to sealing the document are available. Deletion or expungement of sensitive portions of the document would render the submission substantially unreadable and would compromise the government's ability to convey important information relevant to this case.

WHEREFORE, it is respectfully requested that the Government's Motion to Seal be granted.

Respectfully submitted,

Jonathan F. Lenzner
Acting United States Attorney

Timothy F. Hagan, Jr.
Assistant United States Attorney
